# Sagri Srī Vāsuki Subrahmaya Temple

Udupi

Dear devotees,

We are delighted to invite you to the auspicious event to offer the **renovated and consecrated shrine of nāgadeva** and **the aṣṭabandha-brahmakalaśa** along with **punaḥ-pratiṣṭha** from **08 April 2022 to 11 April 2022** (śubhakt-caitra-śuddha-saptamī). There will be many sacred rituals under the guidance of **pāḍigāru śrī śrīnivāsa tantri** and also several cultural events, to add grandeur to the event.

We are happy to inform you all that this *punyaḥkṣetra* has gained much renown over the last four decades in *tuḷunāḍu* with God's grace and with local, national and international support. This *kṣetra* is also known for making the lives of sāttvika people free of troubles and sorrows, and filling them with bliss due to the benediction of śrī vāsuki subrahmaṇya.

For a long time, we have been wishing to renovate this fragile shrine to nāgadeva. Now, the immense grace of God, blessings of elders and unconditional backing of the devotees have made possible the rebuilding of the new shrine in a short period. This is a matter of joy for us.

We humbly request your presence along with your family and friends in all these holy activities and get the divine blessings of the *kṣetra-svāmi*. We also seek your support in the form of śrama-dāna, goodwill and financial support to make this event a grand success.

**Shri Sagri Gopalakrishna Samaga**
